**Fully Reclined Depth:** 159

## Details

# COIL SPRUNG FOAM SEATS

Our coil sprung foam seats offer a comfortable and supportive sit whilst maintaining their shape.

Durable & Sag-Resistant - Longer Lifespan  
Springs retain overall elasticity, and high-density foam resists localised sinking - a dual anti-sag structure.

Weight limits per seat: tested according with BS EN 12520:2010 & BS EN 1022:2005 for general domestic use which are based on persons weighing up to a maximum of 160kg. Wood is a natural product and will vary in shade/colour from item to item. Feet may require fitting.
